## Bachelor of Arts in Individualized Studies - Curriculum Map

### Degree Outcomes

Students will:

- demonstrate the ability to be a self-directed student by determining individual academic objectives and activities, and evaluating the resulting learning.
- attain proficiency in the knowledge, theories, methods of inquiry, and use of information resources pertinent to a substantial and coherent area of study.
- develop knowledge and skills in a specific discipline or clearly articulated interdisciplinary area at the introductory through advanced level.
- use ongoing reflective learning to articulate the progression and integration of one's learning in the selected area of study.

### Early Course Group - Taken early in the degree program.
