

# Granite State College

## POST-BACCALAUREATE: BLIND AND VISION DISABILITIES

Granite State College offers a Post-Baccalaureate Program for candidates interested in pursuing teacher certification. The Post-Baccalaureate Teacher Certification program is designed for 21st Century Educators, providing an in-depth focus on the critical issues that are transforming the landscape of education—innovation, critical thinking, problem solving and collaboration.

Students will

- Be reflective and knowledgeable about learners and are able to employ instructional methods, strategies and technologies to meet the needs of all students;
- Have a rich understanding of the subject/s that they teach;
- Employ best practices in the planning, delivery and assessment of instruction to improve learning achievement of Pre-K-12 students.

**NOTE:** Please see the *Teacher Education Resource page* ([my.granite.edu/teacher-education-resources](http://my.granite.edu/teacher-education-resources)) and/or the *SOE student handbooks* for all testing requirements and information.
