# B.S. Health and Wellness Transfer Pathway

If you have an associate degree in Wellness, Allied Health, a closely related field from a regionally accredited college or university, your pathway is the Bachelor of Science in Health and Wellness.

## STEP 1: Complete Your Associate Degree

To maximize transfer credit for the B.S. in Health and Wellness at Granite State, you will need the following:

- **Great Bay Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Biological Sciences, Psychology, Nursing – if not interested in BSN)

- **Lakes Region Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Human Services, Liberal Arts/Health Science Concentration, Nursing – if not interested in BSN)

- **Manchester Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Behavioral Science, Exercise Science, Health Science, Life Science, Medical Assistant, Nursing – if not interested in BSN)

- **Nashua Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Biological Sciences, Holistic Massage Therapy, Human Services, Psychology, Speech Language Pathology Assistant, Nursing – if not interested in BSN)

- **NHTI Concord’s Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Addiction Counseling, Dental Hygiene, Health Science, Human Service, Orthopaedic Technology, Paramedic Emergency Medicine, Radiation Therapy, Nursing – if not interested in BSN)

- **River Valley Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Biological Science, Occupational Therapy Assistant, Physical Therapist Assistant, Respiratory Therapy, Social Services, Nursing – if not interested in BSN)

- **White Mountains Community College**
  - Conferred Associate Degree in Wellness, Allied Health, or closely related field (i.e., Health and Wellness Facilitator, Health Science, Human Services, Medical Assistant, Nursing – if not interested in BSN)

## STEP 2: Complete Year 3 and 4 Requirements at Granite State College

Upon transfer, students will complete the following requirements at Granite State College for the Bachelor of Science in Health and Wellness:

- **COMM 602** Media and Strategic Communication or **ENG 601** Writing for the Professions
- **CRIT 502** Conducting Critical Inquiry
- **HLTC 550** Emerging US Health Care System
- **HLTC 612** Community, Culture, & Health
- **HLTC 629** Law & Ethics for Health Care & Human Services
- **HLTC 638** Health Care Policy
- **HLTC 651** Integrative: Internship in Health & Wellness or **HLTC 652** Integrative: Project in Health & Wellness
- **MATH 504** Statistics
- **SCI 502** Nutrition Concepts and Controversies
- **SCI 505** Human Biology
- **SCI 506** Physiology of Wellness
- **SCI 508** Issues in Women’s Health or **SCI 509** Diseases of the 21st Century
- Two (2) Health and Wellness related electives
- Elective credit (as needed to reach 120 total credits)

Note: If students do not have recommended pathway courses in transfer, they can be taken at Granite State College in lieu of elective courses. Additional Health and Wellness degree requirements may be met in transfer by courses taken in the associate degree.
