

CRRSA Act Emergency Grant FAQ

What is the CRRSA Act?

- The Coronavirus Response and Relief Supplemental Appropriation ([CRRSA](#)) Act is federal legislation that provides additional financial support to individuals and organizations affected by the COVID-19 pandemic through the Higher Education Emergency Relief Fund (HEERF). One part of this federal program provides emergency grants to currently enrolled undergraduate and graduate students with exceptional need or unexpected expenses related to the COVID-19 pandemic.

Where are the CRRSA Act Emergency Grant funds coming from? Is there some sort of disaster relief fund?

- Granite State College was awarded supplemental HEERF funds from the federal CRRSA Act, which provides emergency grants for eligible college students with exceptional need or unexpected expenses related to the disruption of campus operations due to the COVID-19 pandemic.

How do I know if I qualify for a CRRSA Act Emergency Grant?

- Undergraduate and Graduate degree students who have financial need or unexpected expenses are eligible to apply for these funds.
- CRRSA Act funds are distributed to eligible students based upon financial need or unexpected expenses related to the disruption of campus operations due to the COVID-19 pandemic. In all cases, students with exceptional financial need will be prioritized for funding first.
- The CRRSA Act and U.S. Department of Education guidance currently prohibit these funds from going to international students and DACA students.

Am I eligible for an Emergency Grant if I did not apply for financial aid?

- No. The college understands there is a great need at this time and that family financial situations have changed since the beginning of the COVID-19 pandemic. Granite State College is using information available from financial aid applications to prioritize students with exceptional need to meet CRRSA Act requirements and U.S. Department of Education guidance to distribute funds quickly.

How do I apply for a CRRSA Act Emergency Grant?

- Information about applying for these funds will be emailed to eligible students. Students will apply for the funds through a survey in WebROCK.

Does receiving a CRRSA Act Emergency Grant reduce my financial aid?

- No, this fund does not eliminate or replace financial aid. It is a one-time grant.

If I received a CARES Act Emergency Grant, am I eligible for a CRRSA Act Emergency Grant?

- Yes. Eligibility for a CRRSA Act Emergency Grant is independent from the CARES Act Emergency Grant. Having received a CARES Act Emergency Grant does not impact your eligibility for a CRRSA Act Emergency Grant.

If I did not apply for a CARES Act Emergency Grant, am I eligible for a CRRSA Act Emergency Grant?

- Yes, if you meet the CRRSA Act Emergency Grant eligibility requirements of either exceptional need or unexpected expenses related to the COVID-19 pandemic.

How much money is available for each eligible student?

- Amounts vary; eligibility will be determined once the application is completed. Emergency grants will be between \$250 and \$750.

How will Granite State College determine the amount each eligible student will receive?

- Granite State College is following the CRRSA Act and the U.S. Department of Education guidance which encourage universities to distribute funds to as many eligible students as possible. The dollar amounts reflect the college meeting this federal expectation and the fixed amount available to distribute.

How do I receive my Emergency Grant funds?

- Information about the funds and the application to apply will be emailed to eligible students.
- The funds will be sent to eligible students as soon as possible. Electronic refunds will be processed and sent within 10 days, and checks may take up to two weeks.
- Granite State College strongly recommends that you set up direct deposit to receive the funds. However, you must do so as soon as you complete the application for the emergency grant funds. If there is a delay, we cannot guarantee the funds will be sent to you electronically.
 - You may do so by logging into [WebROCK](#). From the main menu, select “Student Accounts” and then “Account Summary by Term/Refund and Direct Deposit Information”.
- If a direct deposit record does not exist, funds will be mailed to the student’s permanent mailing address record on file. Checks can take up to two weeks.
 - To update or view the address on file for you, please log into [WebROCK](#), and go to the “Personal Information” menu option.

I am enrolled in an online program, am I eligible for the Emergency Grant?

- Yes. The CRRSA Act and guidance from the U.S. Department of Education state that students enrolled exclusively in online programs are eligible for emergency grants.

What happens if I do not have expenses now, but I do have expenses later?

- Eligible students should complete the application as soon as possible. Emergency grants will be issued until funding runs out.
- The CRRSA Act funds are intended to go to students with exceptional financial need or those who have unexpected expenses related to the COVID-19 pandemic.

Is there a deadline to apply for an Emergency Grant?

- No. However, eligible students should complete the application as soon as possible since Emergency Grants will be issued until funding runs out.

What constitutes eligible expenses to qualify for an Emergency Grant?

- Any component of the student’s cost of attendance (tuition, fees, housing, meals, books/supplies, transportation and other miscellaneous) or unexpected expenses related to the COVID-19 pandemic (including tuition, fees, housing, meals, healthcare and childcare). Examples include money spent for additional technology/course requirements, unanticipated travel, replacement of medications, and emergency childcare due to extended school closures.

If I receive an Emergency Grant, am I required to report how I used the grant funds?

- No. The CRRSA Act Emergency Grant is intended to help students during this difficult time. Emergency Grants are required to be used for any component of the student's cost of attendance (tuition, fees, housing, meals, books/supplies, transportation and other miscellaneous) or unexpected expenses related to the COVID-19 pandemic (including tuition, fees, housing, meals, healthcare and childcare).

Do I have to repay an Emergency Grant?

- No, the CRRSA Act Emergency Grant funds are designed to be a grant, not a loan.

Do I need to report financial aid or grants on my federal tax return?

- Each financial award you receive from the federal government and other sources will have separate and unique tax consequences for your federal tax return. Visit the [IRS website](#) for assistance.
