Federal regulation allows financial aid to automatically pay course tuition and fees. Using financial aid for payment of any other charges such as the prior learning fee, requires written authorization from the student.

Please check below:

☐ I authorize Granite State College to use Title IV federal funds to pay for the following miscellaneous charges: Portfolio Option Fees (i.e. prior learning).

IMPORTANT: This authorization will remain in effect until the Student Accounts Office is notified in writing of your desire to change or rescind. Cancellation of this authorization will not be retroactive and will take effect on the date received by GSC.

Types of Federal Title IV Aid
